Synopsis Books:

Disclaimer: This Entangled Teen Crush book contains references to drinking, addiction, and just the right amount of angst. You'll want to save this tortured hero, while at the same time, not want to change a single thing about him! Five years. That's how long I've been gone. Since I left my best friend-the girl I loved-behind. Five seconds. That's how long it takes to realize I am completely, utterly, screwed. Because now that I'm back, my childhood crush has turned into so much more. Rylee has changed. We both have. And now I'm drawn to her in a completely different way. To her smile. Her touch. To reliving old memories and making new ones. To the happiness she's always given me that I haven't felt since I left. But her friends are hell-bent on keeping us apart. My dad is one drink away from destroying both of our lives, and maybe I am, too. It's only a matter of time before I have to leave again, and there's nothing I can do to stop it. I never get a choice. The one choice I can make? Stay away from Rylee. Because if I don't, I'll break her heart-and mine-all over again.
