The Talmud states "One who wishes to be a chasid, should practice the words of Avot (Ethics of the Fathers)."

Now, with the release of Pirkei Avot: With a New Commentary, Anthologized from the works of the Classic Commentators and the Chasidic Masters, that daunting task has become that much easier.

Compiled by well-known author and translator Rabbi Yosef Marcus, and published by the Lubavitch publishing house, Kehot Publication Society, the volume gives the reader a comprehensive and fundamental understanding of Pirkei Avot. Anthologized from hundreds of commentators, classic to obscure, the commentary is crowned with the insights culled from the voluminous works of the Lubavitcher Rebbe and his predecessors.
