Synopsis Books:

The devil killed my body. I cannot fight, I cannot find. I cannot free her. You must. You are the one. We speak to the dead.

Immediately after hearing these words, uttered to her by an old Romanian woman bleeding to death in the street, detective Eve Dallas begins to notice that her latest case has come with a number of interesting side-effects: visions of the deceased, instant familiarity with rooms shes never seen before, and fluency in Russian. Likewise, there appears to be a force inside of her, a spirit other than her own, that wont let her rest until shes found Beata, the old womans great-granddaughter, whose disappearance two months prior remains a mystery. Desperate to be free of her new gifts, Eve pursues the facts until she discovers a link between Beatas disappearance and the disappearance of eight other young women, all of whom attended the same dance classes, none of whom were ever heard from again.
