## Synopsis Books:

Fresh from finding out that she is a demon princess, fighting her aunt for her life, and rescuing her father from being poisoned, Nikki Donovan is looking forward to getting back to her regular high school life. But when Rhys, the handsome king of the faery realm, decides to show up at her school as a "foreign exchange student," Nikki knows this won't be possible. Couple with this a whole host of other problems: there's a new prophecy that claims she will destroy everyone. Her conflicted feelings for Rhys and her boyfriend, Michael, are getting in the way of their relationship. Her best friend Melinda just might be a demon-slayer-in-training, and her old crush Chris might know of her demon side. Throw in a field trip to none other than Hell itself...and Nikki's going to be hoping for a rain check on more than just her homework!
