Synopsis Books:

Hardened sailor Ytzak Anan is an outsider. The color of his skin holds him back in a brutal, post-colonial world. And now his dreams of captaining his own ship, along with all his savings, have been stolen by a faithless lover.

Up a mighty river and out to sea once again, Ytzak searches for meaning and a new start. But the cruelties of ruthless men dog his steps, and mysterious forces seem to be guiding his journey for purposes unknown
