Haunted by the past...Samantha McLean has a terrible scare when she sees Cindy, her adoptive sister, fall over Whitebrook's track rail during a workout. Cindy's accident is frighteningly similar to the one that caused Samantha's mother's death years earlier.

Cindy's accident brings forth a flood of troubling memories for Samantha. She begins reliving the traumatic years which followed her mother's death--a difficult time when she and her father, Ian McLean, travelled aimlessly across the country in search of a place where they could rebuild their lives. Will Samantha rediscover happiness at Whitebrook farm? Or will she be tormented forever by the tragedies of her past?
