Synopsis Books:

Santa, Baby by Lisa Renee Jones

When Caron Avery dresses up as Marilyn Monroe for a charity ball, she decides that for once in her life she'll let her inhibitions go. Suddenly, Caron is living a night of fantasy with sexy millionaire Baxter Remington in hot pursuit. And what a night it is. Baxter can't believe he's fallen under the adorable blonde's/brunettes spell. But with the scandal going on in his life, he knows he should let her go before she gets caught up in it too. Then again maybe one more night (or eight!) of mind-blowing passion will help them both forget!

Christmas Male by Cara Summers

Fiona Gallagher has never been into Christmas. Having grown up in a series of foster homes, she has no use for Santa...at least until she meets the hottie St. Nick delivers just in time for the holidays Captain D. C. Campbell.

Technically, they're supposed to be working together to find a stolen diamond, one reported to have the power to bring lovers together. Well, they might not have the stone, but Fiona and D.C. aren't having any trouble getting together in every sexual position possible!

Also includes a bonus novella - Caught By Surprise by Samantha Hunter
