Synopsis Books:

Thanks to her distracted sister, hotel owner Rachel Sutherland is now alone to greet A1/4berhot Navy SEAL Riley Wilkes as he disembarks. But when Riley scoops Rachel into his arms for a hot, combustible kiss, Rachel wonders if she owes her sister a big favor....Now Rachel is reconsidering her stance on bad boys...especially those of the Riley Wilkes variety. In fact, a naughty little fling could be just what the doctor ordered. Because the only thing better than a SEAL in his uniform, is a SEAL "out" of his uniform....
