Synopsis Books:

The right choice will set you free.

Eden Huntleigh is the envy of every teenage girl in the palace. As the intended bride of Cesar, the sovereign leader of Emphyrean, she has everything she could ever desire and yet she is unable to ignore the nagging perception that something isn't right. Her world is turned upside down when she meets a handsome stranger who insists that she isn't who she thinks she is. Try as he might, the only way to prove it is for her to leave with him and join up with the Rebel group to whom she belongs. At least that's what he says.

When faced with an impossible decision, assume her place next to Cesar or take a leap of faith into a world of the unknown, will she have the courage to follow her heart in the name of destiny?
