Synopsis Books:

Sometimes when youre at your lowest, when youre at your saddest, and just when you think that things cant get any worse, along comes a hero to save the day and to win your heart away.

Skye has always lived life like its one big party. He makes his own rules, and consequences be damned. But one night when he takes things too far, his older brother steps in and demands he cleans up his act.

In comes Alden, known as one of the toughest trainers at the feline coalition, he takes on the job of turning Skyes life around. The last thing the Tiger shifter expects is to find himself drawn to Skye, despite his bratty ways.

Will Alden be able to help save Skye from himself? Or will Skye self-destruct and shatter both of their lives?
