Synopsis Books:

Spirit Heart Soul - Origins & Destinies is the book that will tell you where you came from and where you are going. It will tell you where heaven is, where hell is, and how to get to one and avoid the other!

The fact is, we are spiritually disconnected from the source of life - our Creator. That is not how we were designed and Adam and Eve originally were not in this state. The implications of still having this spiritual birth defect when you die are enormous. It means that you will be forever separated from the source of eternal life.

The good news that I share in the pages of Spirit Heart Soul - Origins & Destinies is that this condition - this birth defect, is reversible. My book will not only tell you how you came to have this spiritual birth defect, but it will also tell you the cure - a miracle cure that was costly, but it is free. It is a cure that will literally save your life!

This book contains the answers to the questions of life and death - answers found in the Bible. Why have I used the Bible to find answers? I believe that the Bible is the Word of God and therefore contains the truth. I believe that the answers to our origin and destiny as well as an understanding of the state of mankind due to sin can only be found in the Bible and that only the Bible contains the words of hope and life.

The accuracy and authority of the Bible as the Word of God has been proven through fulfilled prophecy, perfect coherence of the 66 books that make up the Holy Scriptures written by about 40 authors over about 1500 years (evidence of divine inspiration), archaeological evidence, the confirmation of historical facts in Scripture by comparison with other historical records, and by changed lives.

Embark on a journey with me, and as you travel through the pages of this book, you will uncover the truth about you . . . God . . . angels and demons . . . heaven and hell. You will discover the way to forgiveness . . . restoration . . . eternal life.

You will discover the path of life that has no end.
