She and her college friends are going to celebrate their graduation at the one event that has Lindy enthralled, the GCFA Cage Fighting match. She gets more than just a good show, she meets a man that fires her up and leaves her craving more. Her infatuation quickly deepens. However, she is in more danger than just losing her heart.

Talon lives his life simple and easy, just how he likes his women. But when he encounters a captivating little human, all that changes for him. He is determined to have her at any cost. He finds that once with her would never be enough and craves more. Unfortunately, he's not the only one who becomes obsessed with the little human. Someone else wants her for himself and he will kill anyone who gets in his way.
