Synopsis Books:

In this resource, you'll get the "big picture" of teaching reading in the middle school, including research, as well as the practical details you need to help every student become a better reader. Veteran teacher Laura Robb shares how to: teach reading strategies across the curriculum; present mini-lessons that deepen students' knowledge of how specific reading strategies work; help kids apply the strategies through guided practice; support struggling readers with a plan of action that improves their reading motivation; helps kids choose books that are at their instructional level; organize a reading-writing workshop, and much more. For use with Grades 5 and Up.
