Synopsis Books:

Brimming with insight, compassion, and spirited humor, Ellen Notbohms timeless book describes ten characteristics that help illuminatenot definechildren with autism. This updated edition delves into expanded thought and deeper discussion of communication issues, social processing skills, and the critical role adult perspectives play in guiding the child with autism to a meaningful, self-sufficient, productive life. An all-new section explores ten more essential, thought-provoking things to share with young people on the spectrum as they cross the threshold of adulthood, and a thoughtful appendix offers more than 70 questions suitable for group discussion or self-reflection. A perennial autism bestseller, Ten Things now sounds an even more resonant call to action, carrying the reader farther into understanding the needs and the potential of every child with autism.
