Isabel is a shy artist with an abusive past who has a very vivid fantasy life and unexplored unusual sexual tastes. When her very private and naughty-natured artwork is sold without her permission, she sets out to try and retrieve her precious paintings, unaware that the buyer has dark sexual tendencies.

Dylan Young is an eccentric businessman and art collector with very specific tastes in women and sex, and serious trust issues. When he comes upon a very erotic set of paintings, he purchases them and they ignite a want and need for the alternative lifestyle he was forced to give up.

When the two meet, Dylan immediately picks up on Isabel's submissive nature and hatches a wicked plan to teach Isabel about his alternative lifestyle. He wants nothing more than to get his hands on more of her paintings and to dominate the submissive beauty.

Their affair is intensely physical and despite Dylan's wanting only a sexual relationship with distinct boundaries, he can't resist her spirited nature, her eagerness and lack of fear to learn BDSM, and most of all - her immense talent. But Isabel has a hidden dominant streak of her own that only Dylan brings out and as they're drawn closer together, their unconventional relationship is threatened as they each struggle with their pasts and for control.
