Synopsis Books:

Once eighteen-year-old Connor Moore stumbles across an almost human species, he is faced with history's darkest secret, a daunting future, and a love life he can't even begin to explain.

Concealed throughout the pages of time, there has been a powerful race of human-like creatures manipulating mankind. This Elite race is made up of five ruling families, who have obeyed The Law and remained content to keep their identities a mystery. Now after centuries of secrecy, an ancient foe is forcing them out of hiding.

When a dark-haired mystery woman named Laren crosses Connor's path his life is turned upside down. Soon Connor is taken on a heart-pounding journey that leads to a startling discovery of who he really is and a daunting future of what he is to become.
