A modern day Romeo & Juliet story.

Ryder Knox wants freedom from the hatred churning in his gut. Saved by the Scorpio Stingers MC boys, he owes his life and allegiance to them they are his family.

He doesn't need a smart mouthed woman who pushes every one of his buttons. But he can't get Jade out of his head.

Jade Summers is a good girl. She wants a man just like her lawyer daddy.

Not the alpha male, cocky biker who storms into her life, who looks like a sex god with tattoos and piercings. He's demanding, controlling and won't take no for an answer.

Their chemistry is off the charts and they are drawn to one another like magnets. Neither can resist the other.

Two worlds collide. Their families are determined to tear them apart.

With everything stacked against them, is what they have strong enough to overcome the odds?

The ultimate price may be too high.

Will their polar opposite worlds destroy and rip them apart forever?
