Synopsis Books:

Saddle up and get ready to head down the trail with dozens of adorable ponies in this information-packed picture book. A foal trotting alongside its mother and the exciting action of ponies jumping at a show are some of the large, colorful scenes for dotting pony enthusiasts to pore over. The complete pony universe is covered - the markings, the breeds, making friends with your pony, daily tasks in the stable, and learning to ride. The text, especially geared to 5-to-8 year olds, is complemented by detailed illustrations and informative captions. Activities such as grooming a pony and putting on a bridle are explained with clear, step-by-step instructions. A reference section at the back of the book includes an illustrated glossary and a comprehensive index. This pony-packed book makes a perfect gift for the young equestrian.
