## Synopsis Books:

Between 1965 and 1992, Satyajit Ray wrote a total of 35 Feluda stories, featuring the master sleuth Pradosh C. Mitter, AKA Feluda. The plots involve murder, mystery and adventure, most of the times in exotic locations, narrated in a racy, humorous style by the detective's cousin-cum-assistant Topeshranjan Mitter AKA Topshe, and in most cases, accompanied by the funny Lalmohan Ganguly AKA Jatayu, who himself was a famous crime writer. All of this makes for enormously entertaining fare - and it is no wonder that each Feluda book has been a best-seller. All the stories are now available together in this two volume omnibus. For the first time ever, the stories are arranged in chronological order of composition, and one can note Feluda's development from an unknown amateur detective to a famous investigator. This first volume contains some of the best Feluda stories ever written.
