## Synopsis Books:

Known for his growling vocals and for the distinct poetry of his lyrics, Tom Waits has amassed over the course of three decades a devoted cult following. *The Early Years* collects the lyrics formative and classic from the first ten albums of this true bard of hard living. A celebration of both his words and of the artist himself, this lyrical biography charts the course from Wait's emotional debut album, *Closing Time* (1977), to the experimental stirrings in *Heartattack and Vine* (1991) and *One from the Heart* (1992). Here the words achieve a new potency, adding further dimension to this singularly gifted artist.
