Synopsis Books:

Spanning over three decades, Annah Moores uniquely written poetry and song lyrics come to life in a single volume that will take you on a journey of laughter, frustration, anger, tears, joy and love as she pours her soul onto the pages of her life.

Her creative journey began when she was a child, writing funny stories and parodies of popular songs. Having elicited laughter from her work, she soon realized the power of her gift as a writer. Combining her love of writing with her passion for Rock n Roll, she used verse to delve into the heart of her personal struggles: coping with gender dysphoria and growing up in an alcoholic home.

Standing on its own as a compendium of her evolution as a poet and lyricist, The Lyrics of My Life also makes a great companion to

Annahs autobiography Right Side Out.
