But when Sally hears a rumor that the reclusive Duke of Belliston is an *actual* vampire, she cannot resist the challenge of proving such nonsense false. At a ball in Belliston Square, she ventures across the gardens and encounters the mysterious Duke.

Lucien, Duke of Belliston, is well versed in the trouble gossip can bring. Hes returned home to dispel the rumors of scandal surrounding his parents deaths, which hint at everything from treason to dark sorcery. While he searches for the truth, he welcomes his fearsome reputation until a woman is found dead in Richmond. Her blood drained from her throat.

Lucien and Sally join forces to stop the so-called vampire from killing again. Someone managed to get away with killing the last Duke of Belliston. But they wont kill this duke not if Sally has anything to say about it.
