## Synopsis Books:

Out of the Cage: When taking on a wild animal, prepare to be bitten.

Persecution from Jason Truollos immediate family becomes too muchhis stepfathers backhand to the jaw is the final strawand he heads toward the only family who had understood when he came out, his Uncle Raul Braga. When he gets there, hes shocked when not only does his uncle welcome him with open arms, but he finds his uncle in a committed relationshipwith a man. Not only that, but many of Uncle Rauls friends are gay, too.

Finally, Jason feels like hes found a place he fits in. Even better, he meets a man who pushes all his buttons, Michel McDover, but surely the sexy rugged mountain man cant possibly be gay. Except he is, and he makes his interest in Jason plain. Deciding learning the joys of sex from an older man is perfect, Jason begins a torrid fling with Michel. A surprise encounter with some strangers in the woods makes Jason realize he may have far more to learn than he ever thought possible. For the hope of love and acceptance, is he willing to keep an open mind?
