Synopsis Books:

When Hollywood-bound actress Violet London meets speakeasy singer Moxie Valette, her trip takes an unexpected turn toward love. New York City, 1931: When wry Broadway actress Violet London and her hard-drinking cohorts venture into a speakeasy the night before she is to board a train for Hollywood, she is floored by sassy blond singer Moxie Valette. As Violet introduces Moxie to an assortment of bootleg liquor, cross-dressers, and sex shows, she vows to find a way to see her again. Moxie is fascinated by Violet in a thrilling and unfamiliar way, and the ensuing evening of bon mots, shameless flirtation, and illicit revelry is unlike anything she has ever experienced. From Manhattan to Los Angeles, both women's lives are turned upside-down by separation, unscrupulous motion picture studio executives, self-serving agents, eccentric celebrities, and the collection of hedonistic reprobates that are their closest friends.
