Synopsis Books:

When Walt Turner's mother died, he inherited her apartment and the antique shop below. After losing his job due to the treachery of a co-worker, The Spirit Box calls to him from the darkness of the shop with an offer of revenge.

Lured by the promise of ultimate power and eternal life by the prisoner inside the box, Walt agrees to help it gather the final spirits it requires to return to human form.

John Hazard is investigating a series of murders and missing persons in this otherwise quiet town. His perceptions of reality are about to be altered in a life changing confrontation that will force him beyond the boundaries of darkness and ancient evil.

It is a spiraling descent into madness, where you may have everything you desire, if only you are willing to sacrifice all that you believe.

When you look into The Spirit Box, be prepared to have more than your breath taken away.
