## Synopsis Books:

When Martines home in England burns down, killing her parents, she must go to South Africa to live on a wildlife game preserve, called Sawubona, with the grandmother she didnt know she had. Almost as soon as she arrives, Martine hears stories about a white giraffe living in the preserve. But her grandmother and others working at Sawubona insist that the giraffe is just a myth. Martine is not so sure, until one stormy night when she looks out her window and locks eyes with Jemmy, a young silvery-white giraffe. Why is everyone keeping Jemmys existence a secret? Does it have anything to do with the rash of poaching going on at Sawubona? Martine needs all of the courage and smarts she has, not to mention a little African magic, to find out. First-time childrens author Lauren St. John brings us deep into the African world, where myths become reality and a young girl with a healing gift has the power to save her home and her one true friend.
