## Synopsis Books:

**"Of living creators of cosmic fear raised to its most artistic pitch, few if any can hope to equal the versatile Arthur Machen." -H.P. Lovecraft**

Actor, journalist , devotee of Celtic Christianity and the Holy Grail legend, Welshman Arthur Machen is considered one of the fathers of weird fiction, a master of mayhem whose work has drawn comparisons to H. P. Lovecraft and Edgar Allan Poe. Readers will find the perfect introduction to his style in this new collection. With the title story, an exercise in the bizarre that leaves the reader disoriented virtually from the first page, Machen turns even fundamental truths upside down. "There have been those who have sounded the very depths of sin," explains the character Ambrose, "who all their lives have never done an 'ill deed.'"
