(Book One of The Witching Pen Novellas)

It's hard being the most powerful witch on the planet. It's even harder when you're a twenty-five year old virgin who'll lose all of that power the moment you sleep with someone ... that's why Elena's never slept with her best friend and flatmate, Karl, despite the true feelings they harbour for each other.

Elena's about to discover that there are even more difficult things in life to deal with. One of them comes in the form of a pen she discovers one day, a pen that allows anything she writes to come to pass...

Suddenly, it's not just her powers or her heart that's at stake, but her very soul, as a dream demon with a seductive pull uses the pen to try and turn her away from her reality, and from Karl.

But the pen is just the beginning. Everything Elena has believed in is a lie, and her world is about to fall apart...

(Book length: novella - over 37,000 words)
