## Synopsis Books:

Up-to-Date, Common-Sense Money Answers, from the Internet's #1 Personal Finance Journalist!

- Quick, bite-size advice you can understand, trust, and use
- Save for retirement, college, or anything else
- Pay off debt, the "smart "way
- By award-winning MSN Money/AARP financial columnist and CNBC contributor Liz Weston

You "can "build financial security--and you "don't" need to be a rocket scientist to do it. This book brings together all the help you'll need, in common-sense language anyone can understand. It's organized around the questions real people have asked Liz Weston, the Internet's #1 financial columnist. Weston's answers are simple, accurate, and up-to-date... and best of all, "you can use them."

Here are powerful, sensible ways to get out of debt... set financial priorities for a better life... and save for everything from college to retirement. Weston offers realistic, up-to-date help with everything from investing to home buying, from improving your credit score to avoiding identity theft. You'll also learn how to master the emotions of money: to get past the pain, arguments, and guilt, "and do what works."
