Synopsis Books:

Chloe hasn't had the best life. With a mother who is gone more often than not, she has had to raise herself. After graduating high school, she leaves to start a new life away at West Virginia University with her best friends Amber and Logan, determined to leave her demons in the past.

On her first day, she meets a stranger who takes her breath away at first sight. Until she met Drake, no one had ever sparked her interest. Now this tattooed and pierced bad boy is all she can think about, no matter how hard she fights it.

Falling for Drake was never part of her plans, but when it happens, things seem to do anything but fall into place.

Dealing with a tragic past, Drake has never cared about anyone else but himself and his band. But when Chloe takes the empty seat next to him in class, things start to change. Instantly drawn to her, he begins to wonder if one girl can take a cold hearted womanizer and change every part of him?

Long hidden feelings are revealed and friendships tested to the brink.
