Synopsis Books:

Trutor and the Balloonist has it all: mystery, Victorian riddles, contemporary issues, art mirroring a most unusual life, eccentric and lovable characters, suspected and surprise villains, domestic strife, and conflicted romance. Michelle Trutor accepts the task of compiling the biography of deceased Caroline Wharton, sifting through shocking materials forbidden to the Balloonist and his family in the will, and guarded by an overly zealous attorney. Readers are invited into the sleuthing as Caroline's riddles are revealed--as if she planned the visits with Michelle's all along.
