Synopsis Books:

Mnage Amour: Erotic Paranormal Mnage a Trois Romance, M/F/M, werewolves, bondage

When Ingrid's car breaks down on a deserted highway, she's rescued by the sexiest man alive. Though she gave up on love long ago, she's more than willing to partake in a one-nighter with Callen and his delicious friend, Ethan. But it will take a lot of convincing for her to love again.

Callen can't believe his luck when he spots the beautiful human female roaming around his territory. He wants her for keeps and doesn't want to share with his alpha. Ethan is tormented between respecting the pack rule of "finders keepers" and following his heart. He knows that Ingrid is his destined mate from the first time he takes in her unique scent.

Can two dominant werewolves learn to share one female?

Note: There is no sexual relationship or touching for titillation between or among the men.
