## Synopsis Books:

Maura finally found the truth she was always seeking or has she?

After being left in the dark for all of her life, Maura's father, Maxwell, has finally returned to reveal sinister family secrets Maura could never have dreamed possible including his revelation that she is one of The Born. But his daughter soon discovers both he and her mother are keeping pieces of her reality hidden, still. As Maura struggles to unravel the mysteries surrounding her new existence and discover every piece of the cryptic puzzle, life appears intent on casting stumbling blocks across her path with every step forward.

Tragedy seems to stalk Maura, and those around her, as she stumbles along, altering the young changelings family, just when they have all come back together. The changes left in its wake could be for the better, or may threaten their existence, entirely.

With the arrival of Christmas comes the opportunity for Maura to draw close to everyone she loves and finally reunite with Ron, her long-distance boyfriend. But permanence has always eluded her, and in her current state of flux this pattern endures, as fate seems intent on snapping the threads that bind her to those she holds most dear. Maxwell's good intentions pave a road for Maura, littered with misery, while her mother, Caelyns, desire to shield her family from pain may tear her away from them, altogether. The perfect happiness in the young vampires grasp is so easily swept away and dragged under, out of reach. Can Maura erupt from the darkness and confusion to break the surface and find the life she's always dreamed of?

In the midst of chaos, assistance materializes in the form of another of her kind, a temporarily beautiful, yet explosively volatile, this new vampire may prove capable of unlocking the puzzle-box Maxwell seems intent on securing from her sight. Maura will discover the darkest parts of herself in her quest to understand the being she is destined to become. Her newfound friend has some shady intentions of his own such as thwarting the love that has grown between Maura and Ron. Following in the wake of the impulsive vampire's misguided instruction may further pull a naive Maura down into the depths of ultimate despair, heartbreak and even destruction.

Undertow: Death's Twilight is the second book in the Maura DeLuca trilogy and the sequel to Rising Tide: Dark Innocence. In this dark, urban fantasy, readers will discover a world full of uncommon vampires, troubled romance and a splash of blood and uniquely devoid of werewolves. The rollercoaster that is Maura's life continues in this YA, paranormal novel that fans of the Twilight series, Vampire Diaries, and Vampire Academy will love. Reminiscent of the classic Fairy Tale, the characters introduced in this series are at the other end of the spectrum from the vampire found in the age of Bram Stoker and his famous Dracula. Although there are ties to the myths created by Stoker and his timeless novel, the Maura DeLuca story possesses a sprinkle of magic, coupled with monsters that in most cases retain the majority of their humanity.
