Synopsis Books:

Even though memories may be altered, a heart can never forget its true love.

Peace has come to Calisted under Illyrias new reign as Queen. Volunteers return to Earth to help its people begin to rebuild. With her new husband at her side, Illyria has many things to celebrate and yet she worries that this time of peace is only fleeting.

Dreams of a man with piercing sapphire blue eyes haunt Illyria nightly and she cant shake the feeling that she knows this stranger, or worse...that he knows her too.

When an attack on the palace leaves her imprisoned on a distant planet, Illyria must discover a strength within herself to survive, but shes not fighting just for herself any more. This time mercy is not an option. All Illyria cares about is vengeance.
