## Synopsis Books:

One part family drama, one part action-adventure; this is the children's novel we've been waiting for from Booker Prize winner Roddy Doyle!

A novel of mothers lost and found. Grainne's Mom disappeared years ago when her parents were divorced, and Mom moved to the U.S. Now, bafflingly, she's reappeared and wants to meet. What could she be up to?

To get out of the way of this mysterious reunion, Grainne's half-brothers, Johnny and Tom, go with their mother, Sandra, on an "adventure holiday" in Finland. But before they're more than a few days into the snowy north, the boys are separated from Sandra, taking impossible risks to save her life. WILDERNESS is part-adventure, part-family drama with a charm that's all Roddy.
